Our goal is to maximize your ability to hear so that you can more easily communicate with others. In order to reach this goal, it is important that we understand your communication needs, your personal preferences, and your expectations. By having a better understanding of your needs, we can use our expertise to recommend the hearing aids that are most appropriate for **you**. By working together **we** will find the best solution for you.

Please complete the following questions. Be as honest as possible. Be as precise as possible. Thank you.

1. Please list the top three situations where you would most like to hear better. Be as specific as possible.

2. How important is it for you to hear better? Mark an X on the line.
